*You must be enrolled in an annual service plan to be eligible for the 10-Year Free Alarms offer, otherwise the warranty reverts back to limited 5 year warranty. If we find more alarms required for legislation at the time of installation, we will install them and you agree to pay for these extra alarms to ensure the property is made compliant to 2022 legislation. We will install the smoke alarm brand and type of alarm that best suits your property construction at time of installation. Our price includes either hardwired and/or 10-yr lithium radio frequency type alarms. Quote subject to our terms and conditions located at www.1300smokealarms.com.au/terms-and-conditions. A Licensed Queensland electrical company.
