

2022 Smoke Alarm UPGRADES

WERE \$199
NOW ONLY
\$179*
PER ALARM FULLY INSTALLED

We're here for all your smoke alarm needs.

Queensland Legislation requires rental properties to have smoke alarms in every bedroom, outside of bedrooms, on every level and interconnected by 1st January 2022.

The alarms must be 240V hardwired or non-removable 10-year lithium battery type, and connected by wire or radio frequency. We select the best alarm solution to suit your properties layout.

2022 UPGRADE PRICE GUIDE

NUMBER OF BEDROOMS*	1	2	3	4	5	6
NUMBER OF ALARMS*						
NORMALLY \$199	\$398	\$597	\$796	\$995	\$1194	\$1393
DISCOUNT PRICE*	\$358	\$537	\$716	\$895	\$1074	\$1253

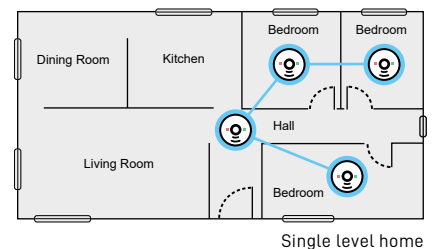

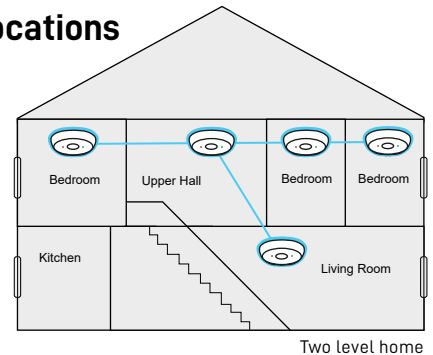

*Based on a single level home with one alarm located outside of bedrooms. Additional alarms are required if multiple levels. At the time of installation if we find extra hardwired alarms required outside of bedrooms and/or in common areas or in studies, these will be additional cost.
